Gary,

EPA, with assistance from IDEM, reviewed Bayer's responses to our 9/13/12 letter requiring modifications to the above subject report. Based on the responses prepared by CRA in its 10/16/12 correspondence to this office, EPA finds the revised document, dated October 1, 2012 (Revision 1), as being acceptable. This report is hereby considered as final. Please accept this email as documentation of approval of the subject report, as revised. Your attention to this matter is greatly appreciated.

Respectfully,

Ross del Rosario
